

Health & Safety Policy for Exhibitors

United States Events | Organized by: Corinium LLC / RE.WORK

1. Purpose

This policy outlines the health and safety requirements for exhibitors participating in events organised by Corinium LLC in the United States. It aims to ensure a safe environment for all exhibitors, attendees, contractors, and venue staff.

All exhibitors must comply with this policy, venue rules, and applicable federal, state, and local regulations.

2. Regulatory Compliance

Exhibitors must comply with all relevant regulations, including but not limited to:

- Occupational Safety and Health Administration (OSHA) standards
- State and local health and safety regulations
- Venue-specific health and safety requirements

3. General Responsibilities

Exhibitors are responsible for:

- Maintaining a safe booth environment at all times
- Ensuring staff are trained to operate equipment safely
- Following instructions from Corinium LLC, venue management, and contractors
- Conducting activities in a manner that does not endanger others

4. Booth Construction & Safety

- Booths must be structurally sound and safely assembled
- Aisles, emergency exits, and safety equipment must not be obstructed
- Displays and materials must be secured to prevent tipping or collapse

5. Electrical & Equipment Safety

- Electrical equipment must be in good working condition and compliant with local codes
- Extension cords and cables must be properly rated and safely secured
- Only authorised personnel may connect equipment to venue power supplies

6. Fire & Life Safety

- Fire exits, sprinklers, extinguishers, and alarm systems must remain unobstructed
- Open flames, candles, and flammable materials are prohibited unless approved in writing
- Exhibitors must comply with fire marshal and venue requirements

7. Material Handling & Storage

- Safe lifting and material-handling practices must be followed
- Materials must be stored safely within booth boundaries
- Empty containers must be removed in accordance with venue rules

8. Hazardous Materials

- Any hazardous substances or equipment must be declared in advance
- Exhibitors are responsible for proper handling, storage, and disposal in compliance with OSHA and local regulations

9. Incident Reporting

- All accidents, injuries, or unsafe conditions must be reported immediately to Corinium LLC or venue staff
- Written incident reports may be required

10. Insurance & Liability

- Exhibitors must carry Commercial General Liability Insurance with limits specified by Corinium Global LLC
- Certificates of insurance may be required prior to move-in

11. Non-Compliance

- Corinium LLC reserves the right to shut down unsafe activities, require corrective action, or remove exhibitors from the event without liability or refund.
